DONATE YOUR SURPLUS TO A LOCAL CHARITY- HARINGTON SCHEME www.harington.org.uk

After last year's fantastic support of the Harington Scheme let's carry on contributing produce for sale in local markets. Gary Sycamore is starting his weekly sale of produce at Ally Pally farmer's market, selling from the back of his pick-up, from Sunday 1st July. All proceeds go to the Harington Scheme.

I'll collect your donations on Sunday morning by 10.30 and take them to the market. Collection point is the container in front of the shed. Please bring donations as close as possible to collection time so they reach market fresh.

If you know you have produce coming but cannot pick, let me know and I'll pick and take to market. Please call or text with plot no. and produce available.

I'd also appreciate help from anyone who can collect when I'm not available. Contact Rob Wilson (Plot M6a, 07946 472839). Many thanks to all who help.
